* If the difference in column 1 is less than zero, enter 0 in column 2.

The collection of information contained in this form is required by the Patent, Trademark and Copyright Act of 1976, 35 U.S.C. § 5(b)(4). The collection is estimated to take 1.2 hours to complete per response. This burden estimate does not include the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This burden estimate is valid for an average respondent who is estimated to have the equivalent education and experience as the primary target user of this form. The burden does not include the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This burden estimate is valid for an average respondent who is estimated to have the equivalent education and experience as the primary target user of this form.

This collection of information is being submitted under the Paperwork Reduction Act of 1980, 44 U.S.C. § 3507(d)(2)(B). The collection is estimated to take 1.2 hours to complete per response. This burden estimate does not include the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This burden estimate is valid for an average respondent who is estimated to have the equivalent education and experience as the primary target user of this form.
